

PACKING TIPS

Efficient packing = Efficient workflow = Save you money

- Label all boxes with room location
- All items should be packed away in boxes. Do not use bags or unstackable containers to pack
- All clothing/items should be removed from dresser drawers and packed away in boxes
- Clear off bookshelves of items and pack into boxes
- Don't forget the garage, all loose items should be in large boxes or wardrobe boxes (see below)

Box Packing Guide:

SMALL: Dishes, collectibles, books, heavy smaller items, small drawer items, filing cabinet papers

MEDIUM: Pots, pans, small appliances, clothing, smaller artwork or frames

LARGE: Linens, comforters, pillows, hanging clothes

WARDROBE BOXES: Hanging clothes, shoes and other closet items can go below the hang bar in box. Garden tools and cleaning tools can also go in open wardrobe boxes
